Prof. Benjamin Fung

Re: 2024/2025 Thank a Prof Program

Dear Prof. Fung,

Congratulations! A student has thanked you in our Thank a Prof program. Teaching and Learning Services (TLS) developed this initiative to provide students with a way to thank professors who have made a difference, big or small, in their lives.

You were thanked for the following reasons:

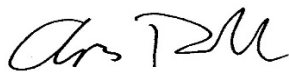

Professor Fung got me even more excited about data science

Please feel free to share this student's recognition of the impact of your teaching with your Chair, Director, and/or Dean. Please note that we will be posting the names of all professors recognized on the [Thank a Prof website](#). If you prefer that your name not appear, please email tls@mcgill.ca by **March 21, 2025**.

Let me take this opportunity to thank you for your ongoing contributions to student learning at McGill. If you have any questions regarding teaching and learning or about the Thank a Prof program, please do not hesitate to contact us at tls@mcgill.ca or visit the [Teaching and Learning Services website](#).

Once again, congratulations on making a difference.

Best regards,

Professor Christopher M Buddle
Interim Director
